APPROVAL OF STATE ENGINEER

This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of Dana Spring as heretofore granted under Permit 4972, Certificate 734 is issued subject to the terms and conditions imposed in said Permit 4972, Certificate 734 and with the understanding that no other rights on the source will be affected by the change proposed herein. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The total combined duty of water under Permits 52103 through 52118 inclusive and 52366 shall not exceed sufficient water for 900 head of cattle.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed..... 0.003..... cubic feet per second..... or sufficient to water 100..... head of cattle.

Work must be prosecuted with reasonable diligence and be completed on or before..... May 17, 1991

Proof of completion of work shall be filed before..... June 17, 1991

Application of water to beneficial use shall be made on or before..... May 17, 1993

Proof of the application of water to beneficial use shall be filed on or before..... June 17, 1993
